New HIV Infections (all ages)

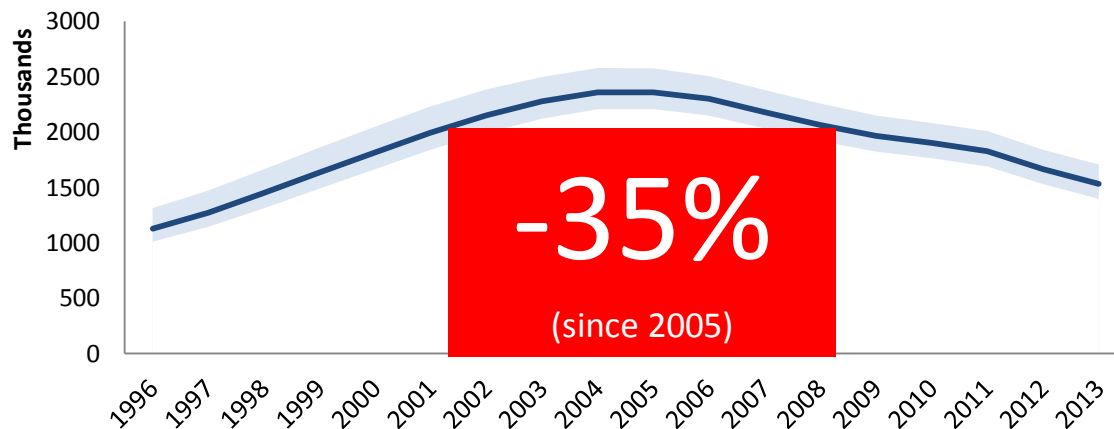

New Infections in Children

Results from scale-up of ART and PMTCT

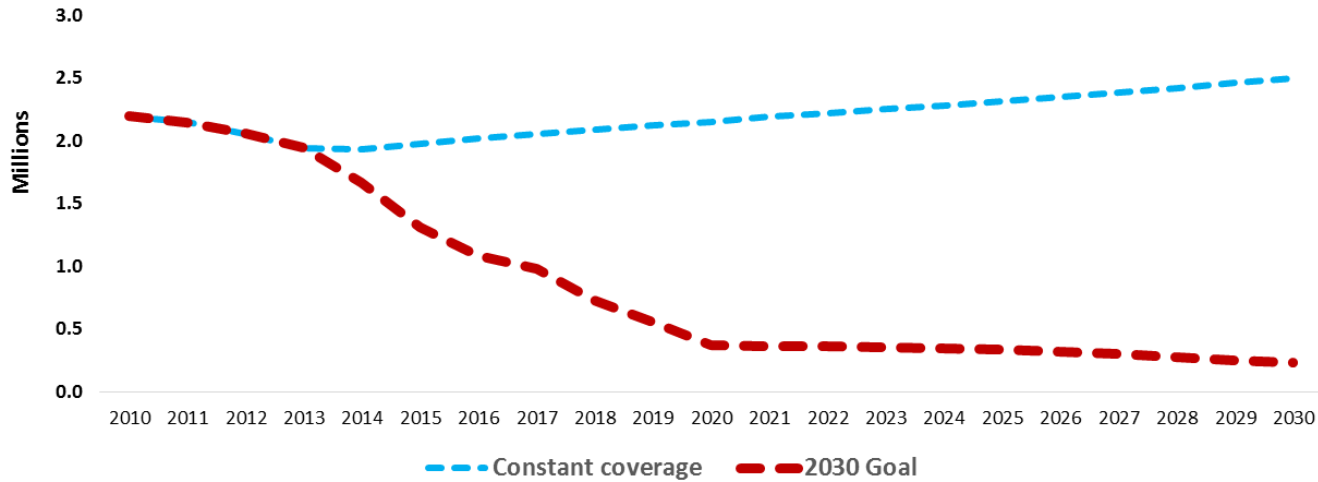

AIDS epidemic remains a huge issue

In 2013:

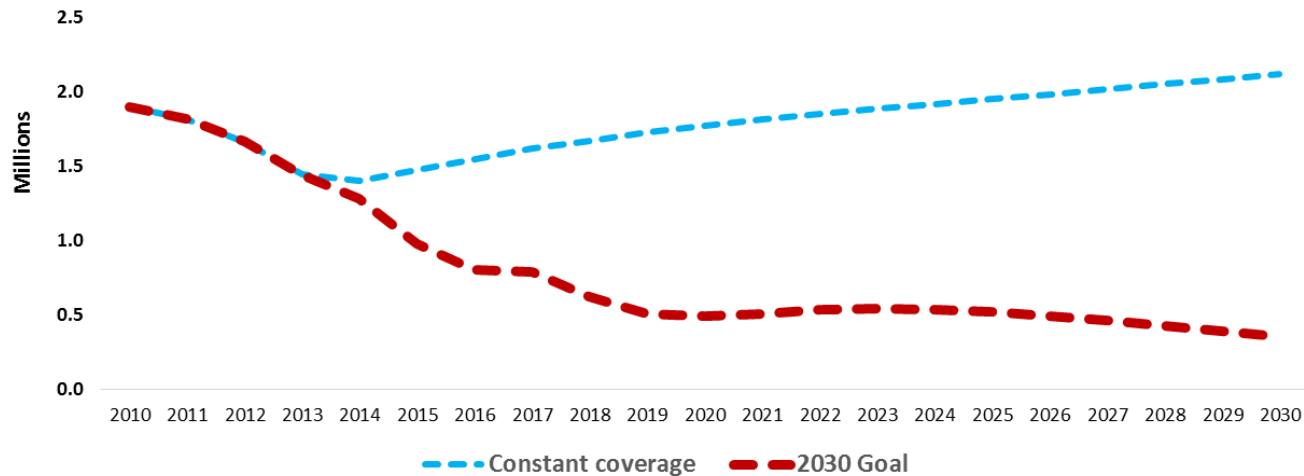

- 35 M people living with HIV
- 19 M people don't know their status
- 22 M are not receiving ART
- 2.1 M people newly infected
- 1.5 M people died of AIDS related causes
- Stigma and discrimination persist

We can end AIDS

New HIV infections

UNAIDS in Numbers

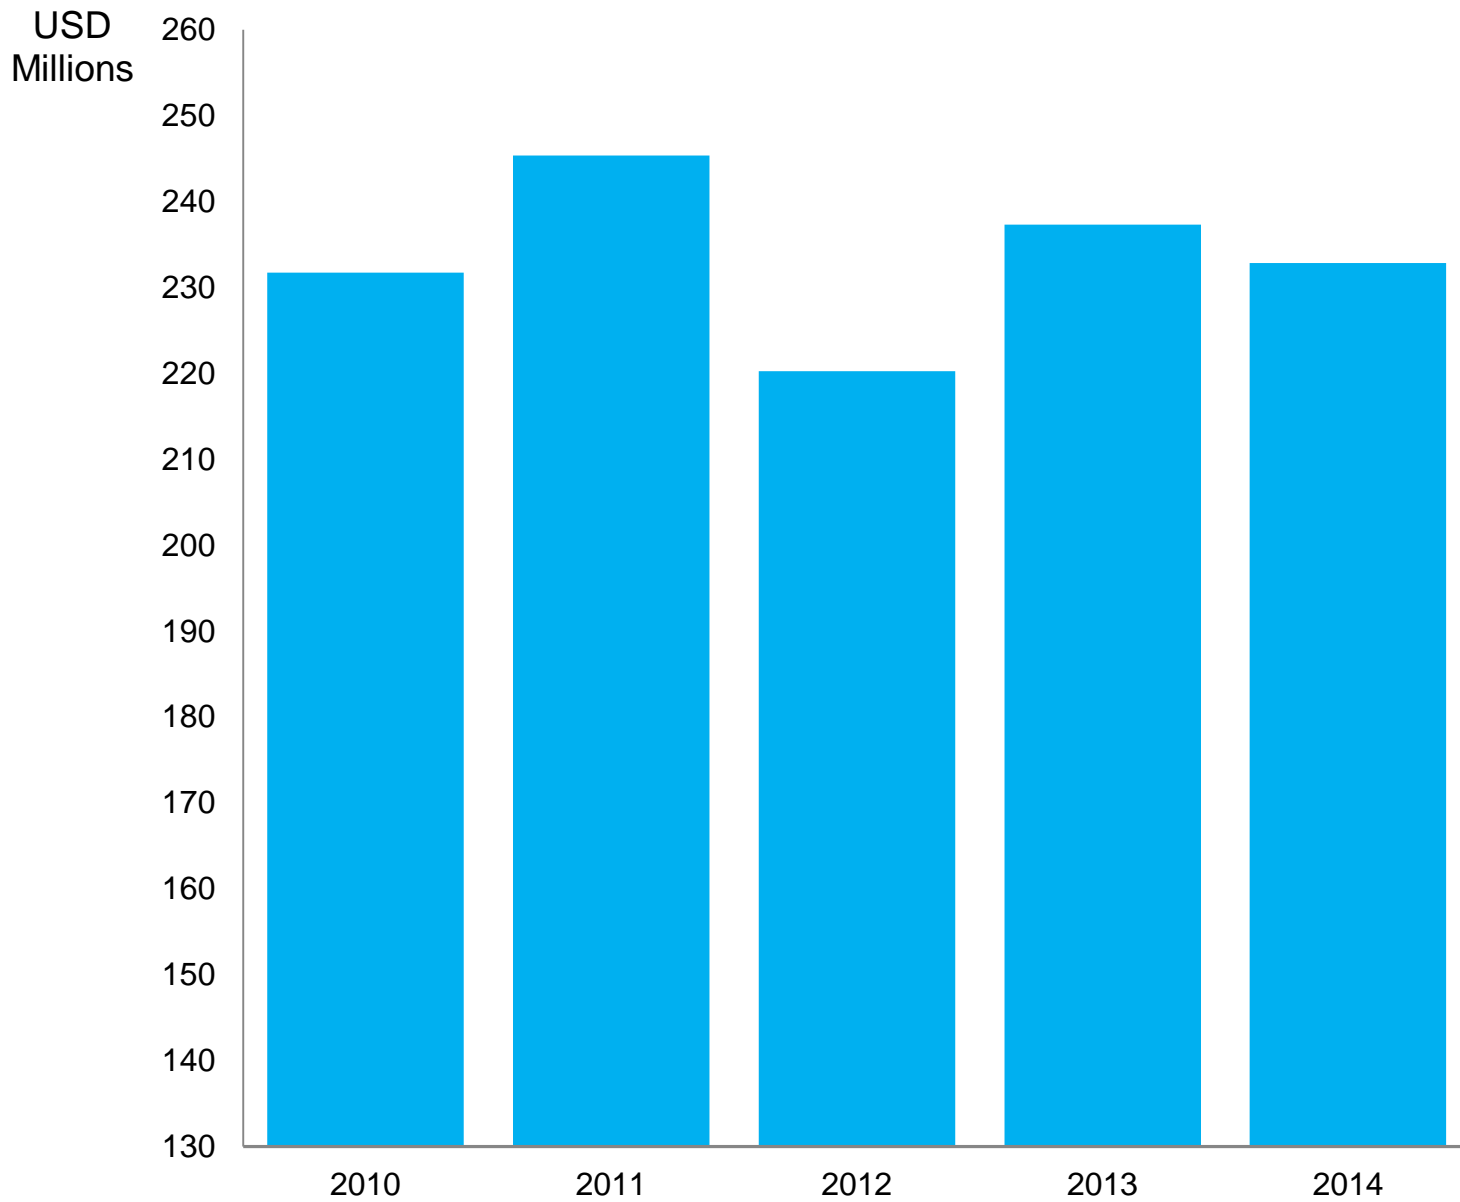

UNAIDS Role

- **Uniting** and aligning partners at country, regional and the global level;
- **Mobilizing** political, technical, scientific and financial resources and driving accountability for results
- **Speaking** in solidarity with the people most affected by HIV to support human rights and gender equality;
- **Facilitating** change with strategic information and evidence to ensure that resources are targeted & deliver impact; and
- **Supporting** country leadership for sustainable responses integrated with national health and development efforts.

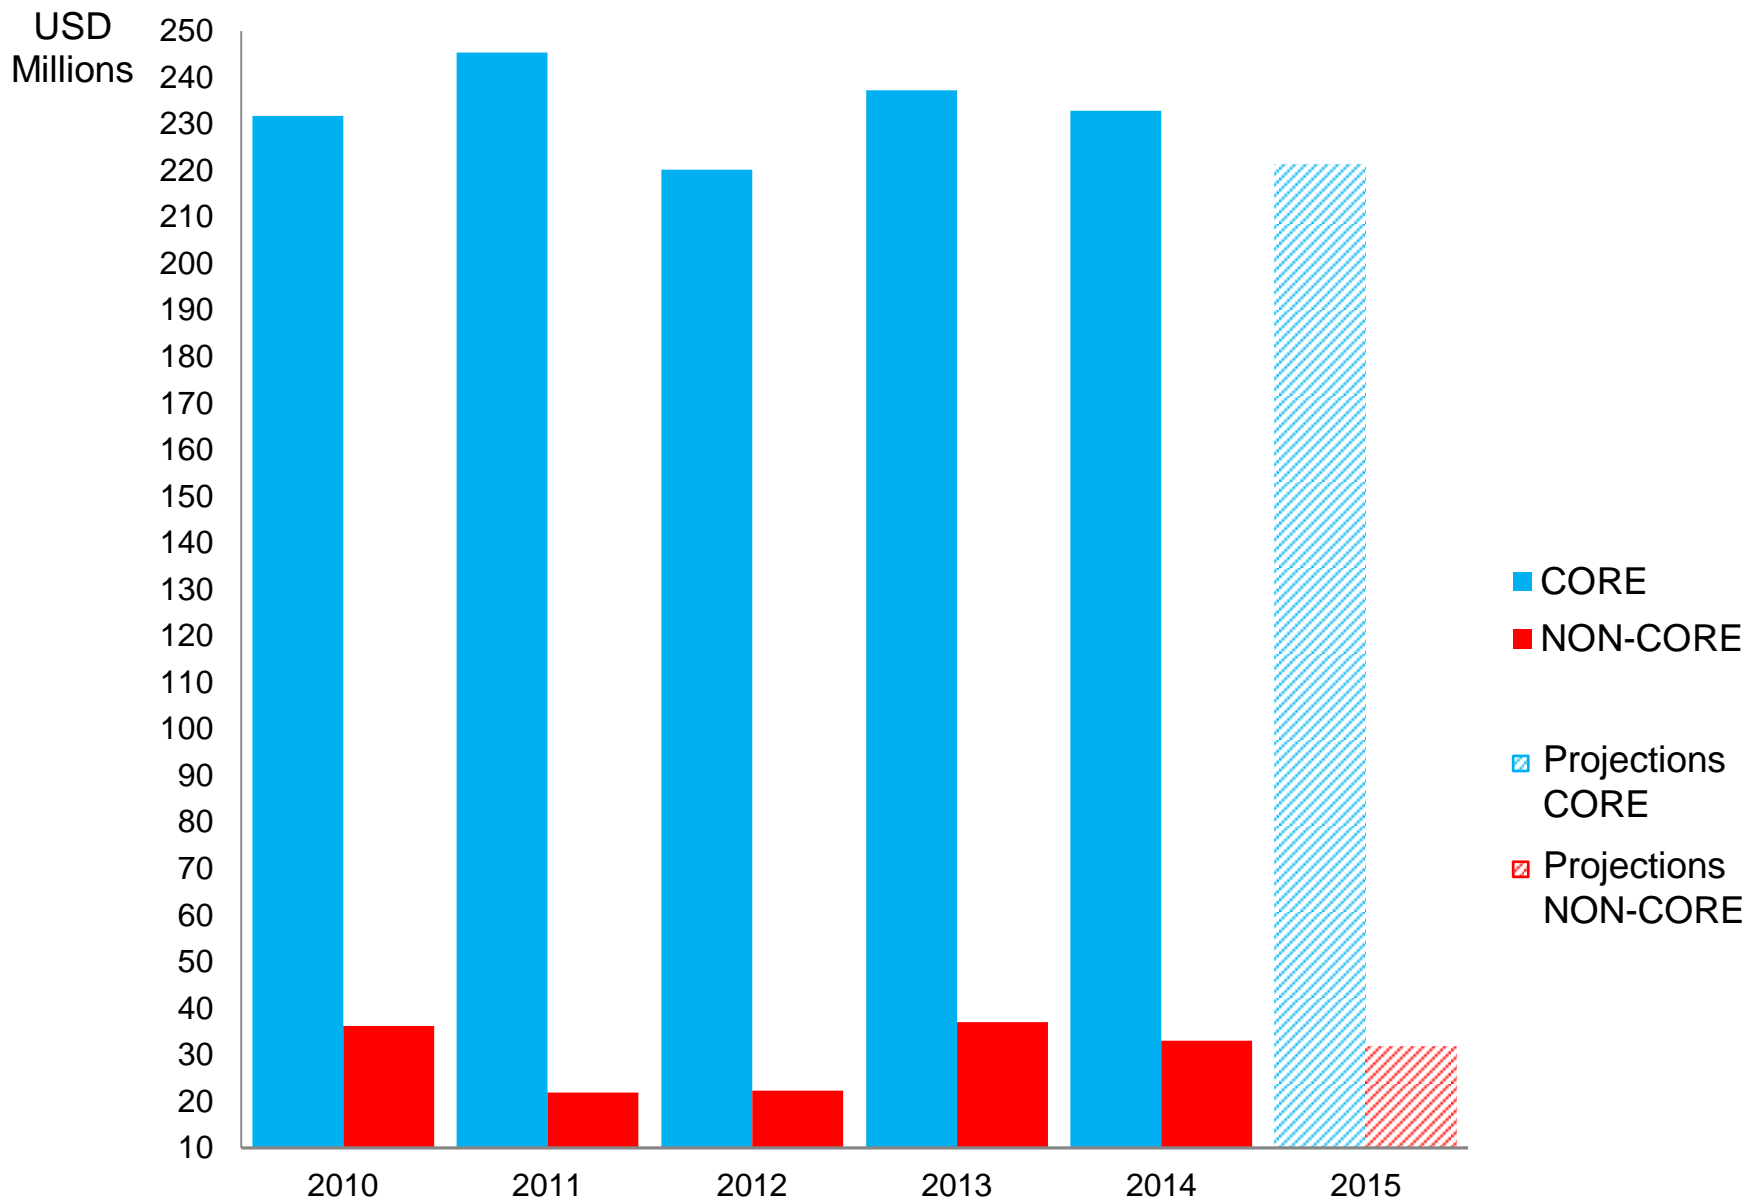

UNAIDS Core Contributions by Biennia 2010-2015

UNAIDS Core and Non-Core Contributions 2010-2015

Moving Forward

Thank you for your continued support and the engagement of new donors

- Fully fund core budget, set by PCB
- Improve predictability of funds to enhance planning
- Move towards multi-year agreements
